This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Grab a Crab! - Get ready to get your feet wet as we jump into our first day of camp! Today, campers will get their Roundhouse Camp t-shirts! We will also dig for sand crabs and learn why they are shaped like eggs. We will see what they eat and what eats them!

Tuesday: Silly Sharks - We're going to explore the world of sharks! We will see fossil shark teeth and teeth from sharks that are alive today. We'll look at shark eggs and shark skin. Campers can even touch a live shark! We'll make a shark craft and play silly shark games at the beach.

Wednesday: Under Pressure - How far can a lemon fly? Your campers will find out today, as they uncover the meaning of pressure. The staff will shoot lemons out of a cannon and help campers fly their own rocket ships using air pressure. We'll head down to the beach and find out what happens if we mix diet coke and Mentos.

Thursday: Ahoy Matey! - Today, we'll find out how boats float and each camper will create his/her own pirate ship out of recycled materials. We will sail them in the pool and splash around! We might even get to dig for buried treasure!

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water. **Be sure to have a swim suit and towel!**
