

Roundhouse Summer Science Beach Camp 2018

Week 2 - July 16th-20th

Drop off time: 9:00am Pick up time: 12:00pm

Drop off and pick up at the base of the pier

*subject to change due to pier/city events

What to bring each day:

Please send in a backpack/bag that the child can carry his/herself

- Hat
- Water bottle
- Towel
- Wear swim suit under clothes every day.** We try to conclude camp at the beach every day. You may want a change of clothes for the car.
- Camp t-shirts are *highly* recommended each day (extra camp shirts can be purchased for \$10 each).
- Dress in layers for the cool morning marine layer
- Wear Sunscreen
- Snacks will be provided each day

This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Slimy Squid - Today we are going to dissect squid! We will learn more about squid and their cousin the octopus! We'll learn how squid breathe, eat, and change colors. We will also get to see the food chain in action when we feed the squid to our sharks. Campers will get their camp shirts today too!

Tuesday: Trash Monster! - We're going to learn the importance of putting trash in the trash can and not on the beach! We'll make a recycled craft and play a fun wet sponge game called "trash the polluter". We'll head to the beach for a relay and some games.

Wednesday: Playful Plankton – Today we will visit with some of the smallest and largest creatures in the sea. We'll see plankton under the microscope and find out who eats it. We'll also play a silly seaweed game and do a kelp craft.

Thursday: Did You Hear What's Under the Pier? - Did you know that thousands of little creatures live right under the pier? Today, we will learn about the big fish and the little creatures that live under the sea. We will watch snorkelers go under the pier and help collect animals so we can discover them up close. We will even put some animals from the ocean into the tanks!

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water. **Be sure to have a swim suit and towel!**

*activities subject to change
