

Roundhouse Summer Science Beach Camp 2018

Week 3- July 23rd-27th

Drop off time: 9:00am Pick up time: 12:00pm

Drop off and pick up at the base of the pier

*subject to change due to pier/city events

What to bring each day:

Please send in a backpack/bag that the child can carry his/herself

- Hat
- Water bottle
- Towel
- Wear swim suit under clothes every day.** We try to conclude camp at the beach every day. You may want a change of clothes for the car.
- Camp t-shirts are *highly* recommended each day (extra camp shirts can be purchased for \$10 each).
- Dress in layers for the cool morning marine layer
- Wear Sunscreen
- Snacks will be provided each day

This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Dol-FUN Day: We will learn about whales and dolphins and even build a dolphin using real bones! The day will conclude on the beach with fun beach games.

Tuesday: Sink or Float? - Today, we'll discover density by making a magic oil and water craft. We'll guess which items might sink and which might float. We'll finish the day floating down at the beach.

Wednesday: Erosion in Motion: Today we will learn all about sand! Who knew such a tiny thing could be so complex? Campers will hear about the journey of one rock as it became sand, then create their own beautiful and colorful take home sand bottles. We'll end the day by building epic sand castles on the beach!

Thursday: Trash Monster! - We're going to learn the importance of putting trash in the trash can and not on the beach! We'll make a recycled craft and play a fun wet sponge game called "trash the polluter". We'll head to the beach for a relay and some games.

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water. **Be sure to have a swim suit and towel!**

*activities subject to change
