

Roundhouse Summer Science Beach Camp 2019

Week 1 - July 8th-12th

Drop off time: 9:00am Pick up time: 12:00pm

Drop off and pick up at the base of the pier

*subject to change due to pier/city events

What to bring each day:

Please send in a backpack/bag that the child can carry his/herself

- Hat
- Water bottle
- Towel
- Wear swim suit under clothes every day.** We try to conclude camp at the beach every day. You may want a change of clothes for the car.
- Camp t-shirts are *highly* recommended each day (extra camp shirts can be purchased for \$10 each).
- Dress in layers for the cool morning marine layer
- Wear Sunscreen
- Snacks will be provided each day

This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Grab a Crab! - Get ready to get your feet wet as we jump into our first day of camp! Today, campers will get their Roundhouse Camp t-shirts! Not only do we get to learn all about sand crabs, we're going to dig for them too! We'll take a closer look to see the interesting ways they swim and eat!

Tuesday: Silly Sharks – Time to explore the world of sharks! How does a Great White Shark tooth compare with a fossil shark tooth? Campers will get to see shark eggs and jaws up close and even touch a live shark! We'll make a shark craft and play silly shark games at the beach.

Wednesday: Under Pressure - How far can a lemon fly? Your campers will find out today, as they uncover the meaning of pressure. The staff will shoot lemons out of a cannon and help campers fly their own rocket ships using air pressure. We'll head down to the beach and find out what happens if we mix diet coke and Mentos.

Thursday: Ahoy Matey! - Today, we'll find out how boats float and each camper will create his/her own pirate ship out of recycled materials. We will sail them in the pool and splash around! We might even get to dig for buried treasure!

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water.

Be sure to have a swim suit and towel!
