

Roundhouse Summer Science Beach Camp 2019

Week 2 – July 15th-19th

Drop off time: 9:00am Pick up time: 12:00pm

Drop off and pick up at the base of the pier

*subject to change due to pier/city events

What to bring each day:

Please send in a backpack/bag that the child can carry his/herself

- Hat
- Water bottle
- Towel
- Wear swim suit under clothes every day.** We try to conclude camp at the beach every day. You may want a change of clothes for the car.
- Camp t-shirts are *highly* recommended each day (extra camp shirts can be purchased for \$10 each).
- Dress in layers for the cool morning marine layer
- Wear Sunscreen
- Snacks will be provided each day

This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Slimy Squid - We're starting camp with a squid dissection. Today, campers will get their Roundhouse Camp t-shirts. Campers will learn more about squid and their cousin, the octopus. They'll also find out how squid breathe, eat, and change colors. Campers will then see the food chain in action as we feed the squid to our tanks!

Tuesday: Trash Monster! - Today is dedicated to protecting our beaches as we learn why it's important to put trash in the trash can. We'll make a recycled craft together and might even come across the trash monster! Don't worry, we'll have some wet sponges ready to get the trash monster away, but we can't guarantee you'll stay dry on this day!

Wednesday: Did You Hear What's Under the Pier? - Did you know that thousands of little creatures live right under the pier? Today, we will watch snorkelers go under the pier and help collect animals so we can discover them up close. We will even put some animals from the ocean into the tanks!

Thursday: Erosion in Motion - Today we will learn all about sand! Who knew such a tiny thing could be so complex? Campers will hear about the journey of one rock as it became sand, then create their own beautiful and colorful take home sand bottles. We'll end the day by building epic sand castles on the beach!

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water.

Be sure to have a swim suit and towel!

*activities subject to change
