### **This Week's Schedule:**

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

**Monday: Dol-FUN Day** - Get ready to get your feet wet as we jump into our first day of camp! Today, campers will get their Roundhouse Camp t-shirts. We will learn about whales and dolphins and even build a dolphin using real bones! The day will conclude on the beach with fun beach games.

**Tuesday: Sink or Float?** - Today, we'll discover density by making a "magic" oil and water craft. Does an egg sink or float? What about a dollar bill? Campers will find out for themselves as we experiment on what objects sink or float.

**Wednesday: Playful Plankton** - Today we will visit with some of the smallest and largest creatures in the sea. We'll see plankton under the microscope and find out who eats it. We'll also play a silly seaweed game and do a kelp craft.

**Thursday: Silly Sharks** - Time to explore the world of sharks! How does a Great White Shark tooth compare with a fossil shark tooth? Campers will get to see shark eggs and jaws up close and even touch a live shark! We'll make a shark craft and play silly shark games at the beach.

**Friday: Surf's Up!** - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water.

**Be sure to have a swim suit and towel!**
