This Week's Schedule:

Every day we'll start out with a Mystery Animal. We'll give your camper clues, and whoever figures out the mystery animal will win a prize!

Monday: Dol-FUN Day - Get ready to get your feet wet as we jump into our first day of camp! Today, campers will get their Roundhouse Camp t-shirts. We will learn about whales and dolphins and even build a dolphin using real bones! The day will conclude on the beach with fun beach games.

Tuesday: Ahoy Matey! - Today, we'll find out how boats float and each camper will create his/her own pirate ship out of recycled materials. We will sail them in the pool and splash around! We might even get to dig for buried treasure!

Wednesday: Did You Hear What's Under the Pier? - Did you know that thousands of little creatures live right under the pier? Today, we will learn about the big fish and the little creatures that live under the sea. We will watch snorkelers go under the pier and help collect animals so we can discover them up close. We will even put some animals from the ocean into the tanks!

Thursday: Erosion in Motion - Today we will learn all about sand! Who knew such a tiny thing could be so complex? Campers will hear about the journey of one rock as it became sand, then create their own beautiful and colorful take home sand bottles. We'll end the day by building epic sand castles on the beach!

Friday: Surf's Up! - Today, we'll learn about waves and the best place to surf. We will head down to the beach for a day of fun in the sun, on the sand, and in the water.

Be sure to have a swim suit and towel!
