

**ROUNDHOUSE AQUARIUM  
TEACHING CENTER**

MANAGED BY OCEANOGRAPHIC TEACHING STATIONS, INC.

**Wednesday,  
January 24th, 6-7pm  
Dolphins' Challenges:  
Natural and Not  
Manhattan Beach Library  
1320 Highland Ave**

Scan here to RSVP

**Speakers:**

**Eric Martin, Aquarist, Roundhouse Aquarium  
Valerie Hill, Science Director, Roundhouse  
Aquarium**

Learn about natural challenges facing dolphins, like orcas and harmful algal blooms, and not so natural challenges, like pollution.

Free event. Donations welcome.
