

ROUNDHOUSE AQUARIUM
SUMMER SCIENCE CAMP @HOME EDITION

OCEAN NEIGHBORS

Love the Ocean and all the animals that call it home? Join our Virtual summer camp as we learn about all the different animals that call the South Bay their home and how we can all be better ocean neighbors!

DAILY THEME		DAILY SUPPLIES		SEA SHARE TIME
MONDAY	Jawesome Sharks	From the Roundhouse	From Home	What is your favorite Ocean animal?
	Time to explore the world of sharks! Why do some sharks have so many teeth? Where do sharks come from? What makes a shark? Come find out on the first day of camp!	Shark Cutout Construction Paper Headband	Markers Crayons Tape	
TUESDAY	Time for Turtles	From the Roundhouse	From Home	Find something in your house that you can recycle?
	Today is dedicated to protecting our beaches and the Ocean, as we learn why it's important to put trash in the trash can. We'll make a craft from recycled materials together and maybe meet the protector of the beach!	Green Puffballs x2 Egg Carton Fins Cutout Googly Eyes x2 Glue Dots x2	Markers Crayons Glue/Tape	
WEDNESDAY	Flukes, Fins, and Feathers	From the Roundhouse	From Home	What is an animal with fur, hair, or feathers?
	Birds and marine mammals- what makes them different from other animals? We will figure that out as we become naturalists and learn how to observe these animals in their natural habitat.	Toilet Roll x2 String/Yarn (12 in.)	Markers Crayons Hole puncher	
THURSDAY	Crusty Crustaceans	From the Roundhouse	From Home	Share an animal with a shell!
	It's time to get our feet wet (virtually) as we learn all about crabs and tidepools! We'll observe crabs from different habitats and do some crabby crafts along the way!	Large Pasta Shell Puffballs x3 Pipe cleaners x2 Googly Eyes x2 Glue Dots x2 Large Paper Plate	Markers Liquid Glue Sand	
FRIDAY	Get Squishy, Get Squidy	From the Roundhouse	From Home	Share your favorite bug!
	What animal doesn't have a backbone, can shift colors, has noodle-like arms, and squirts ink when it's time to vanish into the depths of the sea? Squid of course! Campers will learn how squid live their lives and learn how cool squid can really be!	Toilet Roll Construction Paper String/Yarn (2 ft.) Googly Eyes Glue Dots	Markers Hole puncher
