

ROUNDHOUSE AQUARIUM
SUMMER SCIENCE CAMP @HOME EDITION

CRAZY CREATURES

Crazy interesting sea creatures, both big and small, call the Ocean their home. We hope you are ready to (virtually) meet some of these critters and learn about some of the amazing life found in the Ocean. From July 27th to July 31st.

DAILY THEME		DAILY SUPPLIES		SEA SHARE TIME
MONDAY	Creature Connections	From the Roundhouse	From Home	What is your favorite Ocean animal?
	Ever wonder what it's like to work and care for the animals found in the aquarium? Campers will get to (virtually) experience what it takes to care for animals from Sea Jellies to baby sharks!	Paper Lunch bag Sea Otter Cutout Printer Paper	Crayons Markers Glue Tape	
TUESDAY	Whale of a Day	From the Roundhouse	From Home	What kind of Mammals can you think of?
	Prepare to have a Whale of a Day with the Roundhouse as we learn all about whales! We'll explore everything from the Blue Whale to the Dolphins and how we humans, are not all that different from them.	Egg Carton Whale Cutout Googly Eyes Glue Dots Pipe Cleaners	Markers Tape	
WEDNESDAY	Grade A. Adaptations!	From the Roundhouse	From Home	Who is your favorite super hero? If you could have any super power, what would it be?
	Campers will explore how animals solve everyday problems like finding food, navigating the Ocean, and fending off natural predators!	Paper Bowl Tail Cutout Googly Eyes Glue Dots	Markers Tape Crayons	
THURSDAY	Sea Jelly Time	From the Roundhouse	From Home	How many animals can you think of that can sting?
	How do sea jellies move? Do they have eyes or a brain? We'll wiggle, jiggle, and float around like a jelly as we answer the shockingly exciting mysteries in the life of a Sea Jelly!	Paper Bowl Googly Eyes Glue Dots Sting/Yarn	Markers Glue Tape	
FRIDAY	Fishy Friday	From the Roundhouse	From Home	What would your fish name be? Where would you live in the sea? What is your favorite animal in the aquarium?
	Join us on a slimy, scaly, and swell day as we learn all about fish! Why are they so good at synchronized swimming? Why are they covered in slime? How many fish are in the sea?	Blue Construction Paper Fish Cutouts Googly Eyes Glue Dots	Markers Crayons Glue Stick
